Notwithstanding anything to the contrary in Section 11, a signed copy of this Agreement delivered by facsimile, email, or other means of electronic transmission is deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

21. Force Majeure. Any delay or failure of either Party to perform its obligations under this Agreement will be excused to the extent that the delay or failure was caused directly by an event beyond such Party's control, without such Party's fault or negligence and that by its nature could not have been foreseen by such Party or, if it could have been foreseen, was unavoidable (which events may include natural disasters, embargoes, explosions, riots, wars, or acts of terrorism) (each, a "Force Majeure Event"). City's financial inability to perform, changes in cost or availability of materials, components or services, market conditions, or supplier actions or contract disputes will not excuse performance by City under this Section 21. City shall give University prompt written notice of any event or circumstance that is reasonably likely to result in a Force Majeure Event, and the anticipated duration of such Force Majeure Event. RE: Customer Service Policy

---

The RTS Mission Statement is "To provide our community with a safe, courteous and reliable transportation service." This policy sets the acceptable standards to ensure that our performance is reflective of the mission statement, and identify corrective procedures for employees who continually fall short of meeting these standards. Courteous service is extremely important and comes second only to safety in this organization.

Customer service is everyone's job at RTS and is a priority with the City of Gainesville. Our customers are not just the passengers on the buses but also our co-workers and the citizens we share the roads with. There are certain standards that must be followed to ensure that proper, courteous service is provided to our customers. Following is a list of these service standards:

- Greet customers, make eye contact, thank them. They are the reason for your job
- Answer questions about routes and arrival and departure times
- Always stop for customers at bus stops unless otherwise instructed
- Always display the correct destination
- Allow customers to board at layover sites
- If asked, always give your name
- If taking a 10-7 advise your customers when the bus will be leaving
- Notify the Control Center if ten minutes (or more) late on your route
- Be aware of your customers as they head for a seat
- Apologize if you make a mistake (and even if you haven't) it goes a long way
- Remember the Golden Rule – there is no excuse for rudeness or sarcasm

All customer complaints regarding incidents contrary to these courtesy and customer service standards will be investigated. Violations found to be valid will result in progressive disciplinary action as set forth in City Policy E-3.

\*This policy supersedes previous Customer Service Policy dated March 22, 2007

## 5. GROOMING AND APPEARANCE POLICY

Regional Transit System employees have chosen to accept the duties of providing safe, courteous, and reliable public transportation. Collectively, we would like to show our commitment to these responsibilities by projecting a positive, professional image. We understand the community's confidence in our ability is influenced by our appearance. The purpose of the grooming and appearance policy is to provide guidelines that can help inspire confidence and the respect of our customers as well as instill a sense of pride and self worth.

### Regional Transit System Appearance Standards:

- All Transit Operators must keep themselves neat and clean. Hair, mustaches and beards are to be neatly groomed.
- Uniforms are to be neat, clean, pressed, in good condition and fit properly. All shirts/blouses must be tucked in and only the top button may be left unbuttoned.
- Unusually heavy or extreme makeup is not permitted.
- Shoes and boots are to be in good repair, polished, and clean.
- Females' hair must be neatly styled, clean, combed and of any natural color. The length or style of hair must not interfere with safe vehicle operations. No extreme or extraordinarily shaped hairstyles are allowed.
- Males' hair must be neatly styled, clean, combed and of any natural color. No extreme or extraordinarily shaped hairstyles are allowed.
- Sideburns may extend to the bottom of the ear.
- Mustaches must be clean and neatly trimmed.
- Beards may extend to three (3) inches in length measured from the chin, and must be clean and neatly trimmed.
- Fingernails must be neatly trimmed and clean.
- Males may wear one post earring of simple design per ear.
- Earrings for females may extend one (1) inch from the ear lobe and be of simple design.
- One ring may be worn on a maximum of two fingers per hand.
- The piercing and decorating of any other visible body part is not acceptable

You must conform to the grooming and appearance standards during work hours. Unannounced inspections are conducted from time to time to monitor conformance and, as necessary, enforce the policy. Any questions regarding the interpretation of these grooming standards should be addressed to your Team Supervisor.

## 6. AUTHORIZED UNIFORM

One-way customers judge your level of professionalism and pride in the job is by your appearance. It is difficult to create a uniform that appeals to the diverse tastes of everyone in the Transit Operator work force. The current uniform standard was designed using City employees' input to balance the needs of most people who wear it. It is intended to enhance the professional image while using system colors and design.

Uniform items may be ordered only through the Regional Transit System's authorized vendor. Your Team Supervisor will assist with the order and answer any questions about the uniform standard.

All Transit Operators receive an annual clothing allowance that is used to help defray the expense of purchasing uniform items. However, this allowance is not intended to cover all of the annual expenses associated with the uniform. Nonetheless, you are responsible for ensuring that you have an adequate number of uniform items to comply with the uniform standard each workday.

Uniforms must have the prescribed RTS logo. Substitute items purchased at retail outlets are not allowed even though the cut and material might closely resemble the prescribed uniform. If there is a problem in obtaining the correct uniform, discuss it with your Team Supervisor, who may grant a temporary exemption from this requirement.

Shoes or boots must be in good repair. They must be black or brown in color and constructed of a material that can be polished and cleaned. The soles of shoes or boots must ensure proper traction. Shoes or boots must fully enclose the foot; open-toed or open-heeled shoes are not permitted.

Jackets may not be worn while on Regional Transit System time or business unless they conform to the uniform standard. This timeframe includes check-in time, walking to or from the bus, driving a Regional Transit System vehicle, in the Operators' lobby, and during layovers.

## 7. UNIFORM ALLOWANCE

It is the employee's responsibility to maintain his/her uniforms in what the City deems a presentable condition and replace uniforms as required. The Regional Transit System will provide a uniform allowance to you on a yearly basis for this purpose. The vendor and RTS Administration will jointly administer the allowance.

The Regional Transit System will credit the uniform allowance in accordance with the Labor Agreement to Operators who have completed their training period. At the beginning of each Fiscal year, every regular, extra-board or part-time operator will also receive a credit for uniform purchase and maintenance in accordance with the Labor Agreement.

The Regional Transit System will provide a new uniform for Operators competing in the APTA National Bus Rodeo. The new uniform items will consist of one shirt, one jacket, one pair of trousers, and one pair of shoes.

If you submit notice to terminate employment with the Regional Transit System, your uniform account will be frozen and uniform purchases will not be authorized.

When you have used all of your uniform allowance, payment for uniform items will be your responsibility.

Upon termination of employment with the Regional Transit System you are required to return all uniforms.

## Formal Grievance Policy

A formal grievance is a complaint that is lodged to document serious concerns regarding the administration or operation of the ADA Paratransit service and/or the fixed route service. A formal grievance is appropriate for but not limited to situations that continue to occur that violate the rules governing ADA service i.e. OTP, TIV, Phone hold times, passenger safety, missed trips, trip denials and vehicle maintenance and remain unresolved for 30 days or more. A formal grievance can be requested when a concern/comment/complaint is lodged to document continuous or chronic situations/events/incidents regarding the operation or administration of ADA Paratransit service.

A formal grievance may also be a service complaint that has been left unresolved for more than 30 days.

Formal Grievances include but are not limited to:

- Chronic, recurring or unresolved Service Complaints
- Continuing violations of specific rules governing ADA paratransit service
- To appeal a Suspension of Service

If the concern/comment is related to paratransit service and continues to be a chronic situation that remains unresolved the ADA Transit coordinator will investigate and evaluate the situation and report to RTS Transit Director to determine if contractual remediation is required.

If the concern/comment/complaint involves the fixed route service the RTS Customer Advocate will complete an investigation of the incident and report the findings to the ADA Transit coordinator and the RTS Transit Director.

As part of the resolution of the disputed situation the incident may be referred the Paratransit Passenger Advisory committee for an open forum discussion to see if other passengers have experienced similar problems so see how pervasive the situation is. This will also provide the rider a forum to be heard and allow the paratransit provider to seek ideas on how to best deal with and resolve the situation.

## Disposition of Complaint Records

Complaint files will be maintained for five years. The complete set of documents covering the complaint and investigation will be maintained for a year. A summary of the complaints will be maintained for 4 years.

## Comment/Concern/Complaint Resolution Policy

When RTS receives a comment/concern/complaint by any means it is logged and investigated by the RTS Transit Customer Advocate to determine validity. RTS buses are equipped with cameras and when the complaint is received a download of the video feed is requested to aid in the investigation of the complaint.

The Customer Advocate has 10 business days to investigate and respond to the comment/concern/complaint, which is responded to, if a response is requested, in the format requested by the passenger/citizen.

The RTS Customer Advocate or customer service representative enters the comments/concerns/complaints into the FLEETNET database for tracking and the FLEETNET format prompts the person entering the data to note whether the passenger/citizen wanted a response and how they want the response provided.

The RTS ADA Transit Coordinator works with the Customer Advocate to respond to ADA complaints on the fixed route system. The Customer Advocate investigates the comment/concern/complaint and responds to the ADA Transit Coordinator with the results. The ADA Transit Coordinator tracks the complaints in the Quality Assurance Program (QAP) report.

If comment/concern/complaint is lodged with the paratransit provider they are responsible to investigate and notify the RTS ADA coordinator of their findings in the monthly customer service report, which the RTS ADA coordinator includes in the monthly QAP report. See *MV Complaint Resolution Process Division #65*.

If paratransit service or fixed route concern/comments/complaint is lodged with the ADA Transit Coordinator a number is assigned and an email sent to the paratransit provider's Operations manager or the ADA Customer Advocate for investigation and response.

For the fixed route: the results of the investigation will be reported to the RTS Operations manager for referral to the driver's supervisor, the safety manager or the training manager. If the concern/complaint is found to be valid the driver will be referred for the applicable process i.e. discipline, refresher training, coaching, remedial driving or safety or a combination of several processes depending on the situation.

Then the actions taken, training received or discipline administered will be filed in the employees personnel file.

## **FEE SCHEDULE**

The University shall pay to City the following fees on a monthly basis. Fees will be payable within 30 days of receipt of a monthly invoice in the format as set out in Exhibit F (the “RTS Monthly Invoice”). The fees are comprised of three components:

1. An annual hourly rate for actual RTS bus service hours provided for each period of operation under this Agreement, in accordance with the per service hour breakdown for each RTS route as detailed in the RTS Monthly Invoice, for the purpose of providing University students unlimited free access to regular city and campus transit routes. Annual hourly rates are compensation in full for the Services associated with providing University students unlimited free access to regular city and campus transit routes. City is responsible for all inflationary costs, including fuel prices. The annual hourly rates for each period of operation under this Agreement are as follows:

<u>Period</u>	<u>Hourly Rate</u>
August 20, 2016 – August 19, 2017	\$64.88
August 20, 2017 – June 30, 2018	\$64.88
July 1, 2018 – June 30, 2019	\$67.25
July 1, 2019 – June 30, 2020	*
July 1, 2020 – June 30, 2021	*

\* The annual hourly rates for the last two (2) years of this Agreement are subject to a percentage increase, not to exceed three (3) percent per year. The increase shall be in accordance with the U.S. Bureau of Labor Statistics National Consumer Price Index (CPI), “All Urban Consumers”, “U.S. Transportation, 1982-84+100 – CUUROOOOSAT”, “Not Seasonally Adjusted”, “U.S. city average” as measured for the month of June of each year. To meet the University’s annual process to evaluate the student Transportation Access Fee (typically conducted in the month of October to recommend the Transportation Access Fee amount for the subsequent fiscal year), the City will consult the aforesaid index for the month of June and send written notice of the percentage increase, if any, to the University by September 15<sup>th</sup>. For example, to determine a possible percentage increase to the annual hourly rate for the contract period of July 1, 2019 – June 30, 2020, City will calculate the percentage change between the June 2018 CPI and the June 2017 CPI. Should the index indicate a percentage decrease, the annual hourly rate will remain unchanged for the corresponding contact period of the Agreement.

The actual RTS bus service hours reported on the RTS Monthly Invoice must reflect any changes to the routes, hours per day or service hours, and days per week. City shall provide explanation notes for any service change variances (actual to monthly budget projection) on the Monthly RTS Invoice in the format as set out in Exhibit F.

2. A fixed annual fee for the purpose of providing University employees and the spouse/partner of said employees and of University students unlimited free access to regular city and campus transit routes for each period of operation under this Agreement. The basis of the fixed fee amount is the cost of \$7.50 per University employee for 12,449 employees and \$7.50 per spouse/partner for 1,756 spouse/partners of its employees and students or \$106,536 annually (rounded for 12 equal monthly payments).

<u>Period</u>	<u>Cost</u>	<u>Headcount</u>	<u>Annual Fee</u>	<u>Monthly Fee</u>
August 20, 2016 – August 19, 2017	\$7.50	14,205	\$106,536	\$8,878
August 20, 2017 – June 30, 2018	\$7.50	14,205	\$106,536	\$8,878
July 1, 2018 – June 30, 2019	\$7.50	14,205	\$106,536	\$8,878
July 1, 2019 – June 30, 2020	\$7.50	14,205	\$106,536	\$8,878
July 1, 2020 – June 30, 2021	\$7.50	14,205	\$106,536	\$8,878

3. A fixed annual fee for the purpose of providing University retirees unlimited free access to regular city and campus transit routes for each period of operation under this Agreement. The basis of the fixed fee amount is the cost of \$7.50 per University retiree for 2,493 retirees or \$18,696 annually (rounded for 12 equal monthly payments).

<u>Period</u>	<u>Cost</u>	<u>Headcount</u>	<u>Annual Fee</u>	<u>Monthly Fee</u>
August 20, 2016 – August 19, 2017	\$7.50	2,493	\$18,696	\$1,558
August 20, 2017 – June 30, 2018	\$7.50	2,493	\$18,696	\$1,558

July 1, 2019 – June 30, 2020	\$7.50	2,493	\$18,696	\$1,558
July 1, 2020 – June 30, 2021	\$7.50	2,493	\$18,696	\$1,558

City shall provide to University an Annual Budget Projection (the “Annual Budget Projection”) forecasting the University’s fees, broken down by month, in a format as set out in Exhibit F to the Master Service Agreement.

**ROUTE SCHEDULE**

**EXHIBIT C**  
**ROUTE SCHEDULE**

Attached is the Spring 2018 RTS Schedule Book (the “Route Schedule”) published by the City. The Route Schedule (in pdf format) is typically available two to three weeks before each of the three seasonal service periods; fall, spring and summer. The City shall send the University a pdf version of the Route Schedule for each seasonal service period as soon as the information becomes available.

The Route Schedule depicts the intervals of service, bus stop locations, and hours of service for each service day (weekday and weekend) for each RTS bus route. The City will communicate, in writing, any changes to any of these elements in the published Route Schedule to the University Contract Manager within two business days of the effective date of the change to the published Route Schedule.

# Rules for the Road

View the “Rules for the Road” video at [Go-RTS.com](http://Go-RTS.com).

Please be aware that traffic, inclement weather, road construction and other conditions may affect bus schedule times.

Sometimes even your ride needs a ride. That's why every RTS bus has a front-mounted bike rack that holds up to at least 2 bicycles. To use it, just signal the driver so they know you're going in front of the bus, then load up your bike. Spaces are available on a first-come, first-served basis. Between your bike and RTS, there isn't anywhere in town you can't get to.

1. Pull up on release and lower rack.

2. Place bike wheels into slots labeled “front” and “rear.” Pull out bike support and lift it over front wheel. The spring in the arm will keep your bike secure while the bus is moving.

3. To unload, release support arm and lift bike from the rack. Return rack to the upright position.

Remember, our drivers and associates are here to serve you and make your trip a pleasant one. If there's anything we can do to make your RTS experience better, just let us know. Please send us a comment at [www.Go-RTS.com](http://www.Go-RTS.com).

## For first-time riders, here are a few “rules for the road.”

- Carts, strollers, luggage and oversize backpacks are allowed as long as they are able to be folded, stowed or personally held (setting in adjacent seat is not proper) without blocking aisles (FDOT Reg. 392.62). If items block the aisles or cannot be properly stowed, then service may be denied.
- Riders shall maintain appropriate, reasonable personal hygiene. If riders have offensive odor, open or seeping sores or are leaking bodily fluids for health and safety reasons, RTS can refuse service until the situation has been contained or corrected.
- Please remember to take all your belongings and report any suspicious packages or activity immediately to the driver, local police (352-955-1818) or local FBI (352-372-9600).
- Be at your bus stop five min. before the bus is scheduled to arrive. When you see your bus approaching, stand by the bus stop sign, that way our drivers will know to stop and pick you up.
- Help us stay on schedule by having the exact fare, your pass, ADA card, Gator 1 or Santa Fe ID ready when the bus stops and the doors open. As you board, just show your ID Card or activate/swipe your pass, or drop the correct fare into the farebox. **Remember, bus drivers don't carry change, so a credit for future RTS purchases will be provided.**
- Check the electronic destination signs on the front and sides of each bus to make sure you're boarding the right one. (We'd hate to take you somewhere you don't want to go.)
- Feel free to bring your radio, CD, tape player, MP3 or iPod. Use of headphones is required and the music must not interfere with the bus operator and/or other passengers. (Everyone loves music, just not as loud as you do.)
- Please do not leave newspapers or beverage containers on the bus.
- Eating, smoking, e-cigs and vapors are not permitted on RTS buses or at stops/shelters. (Imagine the mess.) Beverages are allowed, as long as they're in a securely covered drink container as approved by RTS officials.
- Please be considerate of others and keep your feet off the bus seats.
- Buses move unexpectedly. Please remain seated, or if you have to stand, hold on to a support at all times.
- No pets are allowed on RTS buses unless they are in a carrier. Service animals are allowed.
- Children under 45" in height ride free when accompanied by an adult.
- As the bus approaches your destination, pull the buzzer cord or press the bar located above the windows. This lets the driver know that your stop is coming. Try to do this about one block before your destination so the driver can make a smooth stop. For your safety, please exit through the rear doors and step clear of the bus. After exiting, do not cross in front of the bus. Wait for traffic to clear before attempting to cross the road.
- Passengers should dress properly to ride the bus. This means shirts, shoes and pants are required. Light colored clothing should be worn at night for visibility.
- Don't forget to take your things with you when you leave the bus. We try to return as many items as we can, but RTS is not responsible for items left on the bus. If you lose an item, call (352) 334-2600, press 2, to reach Lost and Found. Everything turned in from an RTS bus is available to be picked up Mon.-Fri., 8am-5pm (except holidays) at 34 SE 13th Road Gainesville, Florida. Lost articles may not be available for pick up until the following day. Items except for Gator 1 and SF ID cards are held for 30 days. Gator 1 cards will be turned in to the Reitz Union ID office every Monday. SF ID cards will be turned in to the Santa Fe ID Office every Monday.
- On each bus, you'll notice several seats near the front designated for use by the elderly and people with disabilities. As a courtesy, please keep these seats open for those who might need them.
- RTS or MV Drivers cannot push any manual wheelchairs over curbs or upstairs. This is to prevent injury to our drivers and is a safety issue. If the rider has a manual wheelchair, neither RTS nor MV drivers can push clients in wheelchairs up ramps or onto vehicles, if client and manual wheelchair weigh more than 350 lbs. combined the drivers cannot assist them by pushing or pulling their chair. Drivers are not to operate power chairs or scooters for clients. Clients on scooters and/or in power chairs are responsible for maneuvering their own chairs onto vehicles.
- The maximum amount our lifts on the fixed route can accommodate is 600lbs (chair and rider combined). The maximum our paratransit fleet can accommodate is 800lbs. While some of the newer fixed route buses have the upgraded ramps which can accommodate 800lbs, not all the buses have this feature and therefore RTS cannot ensure all buses on all routes can transport a passenger in a wheelchair or on a scooter whose combined weight exceeds 600lbs. Therefore for driver safety and lift/ramp specifications and capabilities, passengers who exceed the combined weight of 600lbs must ride on the paratransit system. If the client and chair exceed 800 lbs. Our equipment cannot safely accommodate these riders and therefore they need to make other transportation arrangements.
- Please feel free to use your cell phone while on the bus, however, your conversation should not be so loud that it interferes with the bus operator and/or other passengers. Remember, not everyone is interested in your conversation.
- Please remember no hoverboards, gasoline, batteries are allowed.

See Go-RTS.com for an instructional video on how to read the schedule.

# How to Read the Schedule

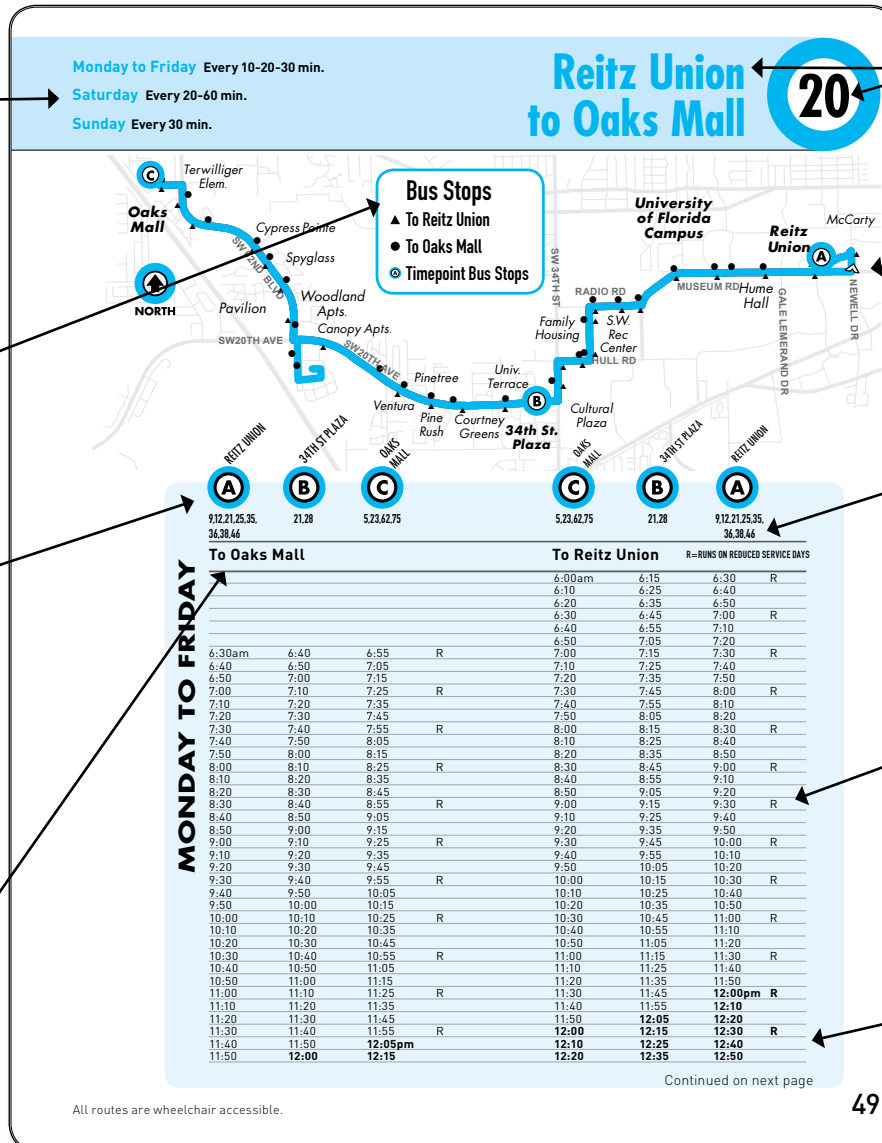

## SAMPLE SCHEDULE

These headings tell which days of the week the list applies.

This legend indicates the direction the bus runs at each stop.

Called timepoints, these are not the only stops on the route, but the ones that correspond to the times listed below each one. The letter in the circle can be found on the map for that route to pinpoint the location.

These headings tell the direction the route travels for the times listed.

The route number and name of the route are found on the top of the page.

White arrow indicates one direction only.

These numbers indicate the routes that share this common stop.

Routes listed may be across roadway heading in opposite direction.

These letters indicate buses that continue to run on reduced service days (R), Saturdays (S), and Sundays (U).

Bold type indicates pm times.

**Bold type indicates pm times.**

Reading each column from top to bottom, you can see each time that the bus stops at the timepoints listed above.  
 Reading from left to right, you can see when each trip will travel from one timepoint to another.

# See Something Say Something

1-855-FLA-SAFE

1-855-352-7233

Law Enforcement needs your help keeping all Floridians safe. In this day and age criminals, bad actors, and yes even terrorists, seek to disguise their true intentions. We are seeing “lone wolf” or single attacker incidents. The Department of Homeland Security and the Florida Department of Law Enforcement have developed a series of brochures, flyers, videos, and information kits to inform businesses and our citizens on what suspicious activity may look like. Business specific brochures have been developed for religious facilities, retail and rental business, financial institutions and more. Topics include active shooter awareness, bomb threat preparedness and potential indicators of suspicious behavior and much more.
