Subject: [EXTERNAL] Re: Nature Center Commission Meetings/Attendance (Lynn Buchanan)

Good Afternoon,

Thank you, I appreciated and enjoyed my time on the board but unfortunately between growing demands of work and life I have been unable to maintain regular attendance and would like to submit my voluntary resignation at this time. I hope that perhaps in the future when I have more time available to me, I might be able to give some of that time back to my community and serve again.

Until then, thank you,

Lynn Buchanan
