Department: Gainesville Police Department

Title: Resolution to Support Acquisition of Radios from Motorola Solutions, Inc. 2022-714 (B)

Description:

Resolution No. 2022-714: A resolution of the City of Gainesville, Florida that confirms a need for the acquisition of equipment from Motorola Solutions, Inc.; and adding an immediate effective date.

Explanation:

The City of Gainesville and Motorola Solutions, Inc. have agreed to enter into a lease agreement for the purchase of 310 single-band radios and programming for use by the Gainesville Police Department. The adoption of a resolution by the governing board of the City of Gainesville is a requirement of the lease agreement. Both parties to the agreement have negotiated fairly, and upon advice from counsel, created the resolution.

Strategic Connection:

Goal 5: Best in Class Neighborhood Services.

Fiscal Note:

The cost of the five year lease agreement is \$3,159,741.88. The anticipated fiscal impact of the radio replacement is spread over four fiscal years (\$789,935.47 per year). Funding for this item for FY2023 was approved at the September 22, 2022 City Commission Special Budget Meeting agenda item 2022-265 with the intent to incorporate the same amount each year for the next three years. The lease agreement was approved at the October 20, 2022 City Commission meeting. The approved funding is located in Fund 1301-Office of the Chief of Police, Contractual Services.

Recommendation:

The City Commission adopt the proposed resolution.
