**Re: Resolution Accepting Grant Offer from
Department of Transportation, Federal Aviation Administration
in the Amount of \$6,060,287.00
Project No. 3-12-0028-052-2023**

Dear Commissioners,

On September 16, 2022, the Gainesville-Alachua County Regional Airport Authority and the City of Gainesville executed FAA AIP Grant Offer # 3-12-0028-051-2023 in the amount of \$14,882,613.00 to fund up to ninety percent (90%) of eligible project costs for the completion of the following:

- ➔ Rehabilitate Taxiway A (Construction);
- ➔ Rehabilitate General Aviation Ramp (Construction)

The projects are as described in the FAA grant application dated July 29, 2022 and provided to the City of Gainesville.

At this time, a Supplemental Grant for an additional \$6,060,287.00 is to be received from the FAA on November 1, 2022. As anticipated, this grant will fund 100% of the balance of previously unfunded, federally eligible costs related to the Taxiway A project.

Based upon my review and that of legal counsel, I represent to you that the said statements, representations, warranties, covenants and agreements contained in the application are true and correct, and that the Authority is not in default of any covenants or agreements referenced therein. I can further represent that the Authority shall comply with all of the assurances that will be made a part of the Grant offer. You may rely on this letter in adopting your Resolution and in ratifying and adopting all statements, representations, warranties, covenants and agreements contained in the Project Application and in executing this Grant Agreement.

Respectfully submitted,

Allan J. Penksa A.A.E.
Chief Executive Officer
