

ORDINANCE NO. 2022-537

An ordinance of the City of Gainesville, Florida, amending the Zoning Map Atlas by rezoning approximately 1.11 acres of property generally located at the NW corner of the intersection of SW 2nd Avenue and SW 10th Street, as more specifically described in this ordinance, from Urban 9 (U9) to Planned Development (PD); providing land development regulations; providing directions to the City Manager; providing a severability clause; providing a repealing clause; and providing an effective date.

WHEREAS, the Municipal Home Rule Powers Act, Chapter 166, Florida Statutes, secures for municipalities the broad exercise of home rule powers granted by Article VIII, Section 2 of the Florida Constitution, including the exercise of any power for municipal purposes not expressly prohibited by law; and

WHEREAS, Section 163.3167, Florida Statutes, requires the City of Gainesville to maintain a Comprehensive Plan to guide the future development and growth of the city; and

WHEREAS, Section 163.3177(6), Florida Statutes, requires the City of Gainesville Comprehensive Plan to include a Future Land Use Element with a Future Land Use Map that designates the future general distribution, location, and extent of the uses of land for residential, commercial, industry, agriculture, recreation, conservation, education, public facilities, and other categories of the public and private uses of land, with the goals of protecting natural and historic resources, providing for the compatibility of adjacent land uses, and discouraging the proliferation of urban sprawl; and

WHEREAS, the City of Gainesville is required by Section 163.3202, Florida Statutes, to adopt or amend and enforce land development regulations that are consistent with and implement the Comprehensive Plan and that are combined and compiled into a single land development code for the city; and

WHEREAS, the City of Gainesville Land Development Code (Chapter 30 of the City of Gainesville Code of Ordinances) establishes zoning districts to implement the Comprehensive Plan and land development regulations on specific classifications of land within the city; and

WHEREAS, this ordinance, which was noticed as required by law, will amend the Zoning Map Atlas by rezoning the property that is the subject of this ordinance to Planned Development (PD) district; and

WHEREAS, PD district zoning is a zoning category that allows landowners or developers to submit unique proposals that are not addressed or otherwise provided for in the zoning districts and land development regulations established by the City of Gainesville Land Development Code; and

WHEREAS, the PD zoning district, including all of its unique and specific land development regulations, is freely negotiated and voluntarily agreed to by the owner/developer of the subject property, thereby precluding any claims or actions under Florida law regarding regulatory takings, the Bert J. Harris, Jr., Private Property Rights Protection Act, development exactions under common law or Section 70.45, Florida Statutes, or the affordable housing provisions in Section 125.01055, Florida Statutes; and

WHEREAS, the City Plan Board, which acts pursuant to the authority granted in Section 4.02 of the Charter Laws of the City of Gainesville and which acts as the Local Planning Agency pursuant to Section 163.3174, Florida Statutes, held a public hearing on May 26th, 2022, to consider this application and provide a recommendation to the City Commission; and

WHEREAS, at least ten days' notice has been given once by publication in a newspaper of general circulation notifying the public of this proposed ordinance and of public hearings in the City Hall Auditorium located on the first floor of City Hall in the City of Gainesville; and

50
51 **WHEREAS**, public hearings were held pursuant to the notice described above at which hearings
52 the parties in interest and all others had an opportunity to be and were, in fact, heard; and

53 **WHEREAS**, the City Commission finds that the rezoning of the subject property will be consistent
54 with the City of Gainesville Comprehensive Plan when the amendment to the Comprehensive
55 Plan adopted by Ordinance No. 2022-536 becomes effective as provided therein.

SECTION 6. All ordinances or parts of ordinances in conflict herewith are to the extent of such conflict hereby repealed.

SECTION 7. This ordinance will become effective immediately upon adoption; however, the rezoning will not become effective until the amendment to the City of Gainesville Comprehensive Plan adopted by Ordinance No. 2022-536 becomes effective as provided therein.
