The Honorable Mayor Lauren Poe
Members of the Gainesville City Commission
200 E. University Avenue
Gainesville, FL 32601

Re: Request to Continue Ordinance No. 211459 and Ordinance No. 211460A

Mayor Poe and City Commissioners:

I am writing to request a continuance of two items Weyerhaeuser NR Company has on the City Commission Special Meeting agenda now scheduled for November 29, 2022. The two items include comprehensive plan future land use map and policy amendments (Item H.1 - Ordinance No. 211459) and rezoning (Item H.2 - Ordinance No. 211460A) of property generally located north of U.S. 441 and both east and west of SR 121.

Both ordinances were previously scheduled for second reading at the October 6, 2022, regular meeting of the City Commission but were continued to the November 29, 2022, special meeting. Unfortunately, critical members of the Weyerhaeuser team are unable to attend the special meeting. As a result, I must therefore request that the ordinances be heard instead during a regularly scheduled City Commission meeting in early 2023.

Please accept my apology for any inconvenience this request may create for the City Commission and its staff.

Sincerely,

Tim Jackson, PE
Senior Director, Real Estate Development
Weyerhaeuser CO
