The Office of the City Attorney has been blessed with long tenures served by accomplished attorneys and staff. Presently the office has 5 attorneys with in excess of 20 years' of practice experience each (some much more than 20!). We have 4 attorneys who have served the City of Gainesville for over 8 years. 2 legal assistants have served our Clients for over 20 years. The institutional knowledge and dedication is invaluable to providing efficient, cost-effective counsel and service to our Clients. We are presently working with Human Resources to ensure effective ways to continue making career development and advancement a priority within the office. Additionally, this year we welcomed a newly-hired attorney to the office to replace a valued retiring attorney. Through dedication to professional transition and succession planning, the retiring Senior Assistant City Attorney developed and conducted an intensive program of training and introduction for the newly-hired attorney.

In addition to the experienced in-house staff, the office retained and oversaw outside counsel to respond to excess workload demand or handle specialized matters for our Clients for which we lack sufficient in-house expertise.
