

Introduction:

The City Commission is responsible for conducting Charter Officer annual evaluations ensuring the Charter contributes to the achievement of the City's mission, vision and goals. Charter Officer performance evaluations shall be conducted after the conclusion of each fiscal year.

The purpose of the Charter Officer evaluation is to provide timely, clear and focused input to the Charter about how well he or she is performing in the key performance areas identified as most critical by the City Commission in achieving the City of Gainesville's strategic objectives.

The Charter Officer should be evaluated using criteria established by the Commission, aligning with established core competencies, review rating scale criteria and salary adjustment schedules as determined by Human Resources. Human Resources will notify the Commission at least one month in advance of performance evaluation due dates. Annual salary increases will be based on the Charter Officer's performance of established objectives in the prior fiscal year. Any annual awards are made based on market considerations and according to budgetary or fiscal constraints.
