Explanation:

The City of Gainesville Parks Recreation and Cultural Affairs' Department, Cultural Affairs Division, is applying to the Florida Department of State, Division of Historical Resources for a special categories grant. Staff will prepare a special categories grant application which will be submitted by the June 1st deadline, requesting grant funds for FY 2025-2026.

To our best knowledge, this will be the first year the City will apply for this grant for Evergreen Cemetery.

This grant is for stabilizing, cleaning, restoring, and repairing historic grave markers located in the municipal cemetery. The historic Evergreen Cemetery was founded in 1856 and has over 11,000 grave markers. Some of the oldest grave markers are in need of stabilizing and cleaning, which will preserve the cemetery for future generations. A detailed outline of how the funds will be spent is required with the application.

The grant submission deadline is June 1, 2023; a panel review of applications is scheduled for August 2023; final recommendations are subject to approval by the

Florida Legislature and Governor. Grant awards will be announced when the final budget is approved by the Governor. The grant period for the next grant is July 1, 2024 - June 30, 2026.
