Subject: [EXTERNAL] Re: Addition to AHAC Agenda-Oct 11 2022

Good Afternoon Mr. Wachtel,
When I applied to be on the AHAC several months ago, it was prior to being selected for the Citizens Advisory Climate Committee. Since becoming part of this group, I am realizing that I just do not have the time to participate in both groups and do a good job. I am very sorry, but feel like I must decline participation in this committee at this time. I have 2 conflicting meetings at the same time as tonight's meeting for example.
Apologies,
Warmly,
Jackie Davis

Good morning AHAC Members,

The City Manager has requested that you hear a presentation about a proposed Land Development Regulation Amendment, and provide any comments that you feel are relevant. As such, the AHAC Chair has agreed to add this item to tonight's agenda at the end of the Business Discussion. The attached files contain some information about the proposed Land Development Regulation Amendment. Please let me know if you have any questions.

Thank you,

John
