Title: 2023-832 – Ordinance Amending Electric System Fuel And Purchased Power Adjustment Added To Public Streetlight and Rental Outdoor Light Services (B)

Department: City Attorney

Description: Ordinance No. 2023-832: An ordinance of the City of Gainesville, Florida, amending section 27-31 “Electric system fuel and purchased power adjustment added to public streetlight and rental outdoor light services,” providing directions to the codifier; providing a severability clause; providing a repealing clause; and providing an effective date.

Fiscal Note: N/A

Explanation: The ordinance addresses average monthly consumption in Kilowatt-Hours (kWh) based upon fixture Wattage for non-LED fixtures and by fixture type for LED fixtures. The information assists in the computation of monthly billing for streetlight and rental outdoor light services.

This ordinance requires two readings and will become effective immediately upon approval at second reading. However, the amendments as set forth herein shall be applicable to all monthly bills which are for the first time rendered and postmarked after 12:01 AM on October 1, 2023.

Strategic Connection: N/A

Recommendation: The City Commission adopt the proposed ordinance.
