Certification/Statement of Need:

The **Project Manager** (named above) hereby certifies, through submission of this form with the requisition, that this proposed waiver of non-competitive procurement is based upon an objective review of the required product/service and appears to be in the best interest of the City. I know of no conflict of interest on my part or personal involvement in any way with this request or entity selected. No gratuities, favors or compromising action have taken place. Neither has my personal familiarity with particular brands, types of equipment, materials or firms been a deciding influence on my request to waive competitive bidding on this purchase if other suppliers are known to exist.
