**Why are you interested in serving on this board? (Please answer separately for each board you are applying to.) :**

I'm excited to continue serving on the Cultural Affairs board for another term supporting the City's work to promote arts and culture.

I've enjoyed learning about the outside agencies we fund and celebrating artists and organizations with our annual awards. I'm the Vice President of the Gainesville Modern Quilters, and I'm always looking for how other local arts organizations and artists connect and collaborate. I'm interested in expanding how I (and other board members) advocate for the value that cultural programming brings to the City. I want all of my neighbors to experience the full benefits of the arts.
