retirement benefits, deferred compensation, real-property gifts, and any other payout. If Provider is exempt from filing IRS Form 990, submit Attachment N/A without including the IRS Form 990, to the Department. All Annual Compensation Reports must indicate what percent of compensation comes directly from State or Federal funding allocations given to Provider. In addition, Provider, by executing this Contract, which includes any subsequent amendments, agrees to inform the Department of any changes in total executive compensation specified in Provider's submitted Annual Compensation Reports.

7. **Public Records:** Keep and maintain public records, as defined by Chapter 119, Florida Statutes that are required by the Department to perform the services required by the Contract. Upon request from the Department's custodian of public records, provide the Department with a copy of the requested public records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed that provided in Chapter 119, Florida Statutes, or as otherwise provided by law. Ensure that public records that are exempt or that are confidential and exempt from public record disclosure are not disclosed, except as authorized by law for the duration of the Contract term and following completion of the Contract if Provider does not transfer the public records to the Department. Upon completion of the Contract, transfer to the Department at no cost, all public records in possession of Provider or keep and maintain public records required by the Department to perform the Contract services. If Provider transfers all public records to the Department upon completion of the Contract, Provider will destroy any duplicate public records that are exempt or confidential and exempt. If Provider keeps and maintains public records upon completion of the Contract, Provider will meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Department, upon request of the Department's custodian of public records, in a format that is compatible with the information technology systems of the Department. The Department may unilaterally terminate this Contract if Provider refuses to allow access to all public records made or maintained by Provider in conjunction with this Contract, unless the records are exempt from section 24(a) of Art. I of the State Constitution and section 119.07(1), Florida Statutes.

If the Provider has questions regarding the application of Chapter 119, Florida Statutes, to the Provider's duty to provide public records relating to this Contract, contact the custodian of public records at (850)245-4005, PublicRecordsRequest@flhealth.gov or 4052 Bald Cypress Way, Bin A02, Tallahassee, FL 32399.

10. **Cooperation with the Florida Senate and the Florida House of Representatives:** Pursuant to section 287.058(7), Florida Statutes, Provider agrees to disclose any requested information, relevant to the performance of this Contract, to members or staff of the Florida Senate or the Florida House of Representatives, as requested. Provider is strictly prohibited from enforcing any nondisclosure clauses that conflict with this requirement.
11. **Exit Transition Services:** If applicable, Provider must provide to the Department, or its designee, all reasonable services necessary for the transfer of knowledge regarding the services and deliverables provided under the Contract to facilitate the orderly transfer of such services to the Department or its designee. If the Department determines that Exit Transition Services are necessary, such services may continue for up to six months after termination, expiration, or cancellation of the Contract, at no cost to the Department, or as agreed upon by the Parties in writing.

D. Monitoring by the Department and Dispute Resolution:

1. **Monitoring by the Department:** To permit persons duly authorized by the Department to inspect any records, papers, documents, facilities, goods, and services of Provider, which are relevant to this Contract and interview any clients or employees of Provider to assure the Department of satisfactory performance of the terms and conditions of this Contract. The Provider must provide the requested records, papers, ³ and documents to the Department within 10 business days after

the request is made. Following the Department's monitoring, the Department may provide the Provider with a written report specifying the noncompliance and request a Corrective Action Plan to be carried out by the Provider. At the sole and exclusive discretion of the Department, the Department may take any of the following actions including the assessment of financial consequences pursuant to section 287.058(1)(h), Florida Statutes, termination of this Contract for cause, demand the recoupment of funds from subsequent invoices under this Contract, or demand repayment pursuant to the terms set forth in this Contract.

2. **Dispute Resolution:** Any dispute concerning the performance of this Contract or payment hereunder shall be decided by the Department in writing and submitted to the Provider for review. The decision is final unless Provider submits a written objection to the Department within 10 calendar days from receipt of the decision. Upon receiving an objection, the Department shall provide an opportunity to resolve the dispute by mutual agreement between the parties using a negotiation process to be completed within 7 calendar days from the Department's receipt of the objection. Completion of the negotiation process is a condition precedent to any legal action by Provider or the Department concerning this Contract. Nothing contained in this section is construed to limit the parties' rights of termination specified in this Contract.

E. Indemnification and Limitation of Liability

1. **Indemnification:**
 - a. This section is not applicable to contracts executed with State agencies or subdivisions, as defined in section 768.28, Florida Statutes.
 - b. Provider is liable for and will indemnify, defend, and hold harmless the Department and all of its officers, agents, and employees from all claims, suits, judgments, or damages, consequential or otherwise and including attorneys' fees and costs, arising out of any act, actions, neglect, or omissions by Provider, its agents, or employees during the performance or operation of this Contract or any subsequent modifications thereof, whether direct or indirect, and whether to any person or tangible or intangible property.
 - c. Provider's inability to evaluate liability or its evaluation of no liability will not excuse Provider's duty to defend and indemnify the Department. Only adjudication or judgment after the highest appeal is exhausted specifically finding Provider not liable will excuse the performance of this provision. Provider will pay all costs and fees related to this obligation and its enforcement by the Department. The Department's failure to notify Provider of a claim will not release Provider of the above duty to indemnify.
 - d. Nothing in this Contract shall be construed as the Department agreeing to indemnify the Provider.
2. **Limitation of Liability:** For all claims against the Provider under the Contract, and regardless of the basis on which the claim is made, the Provider's liability under the Contract for direct damages will be limited to the greater of \$500,000.00, the dollar amount of the Contract, or two times the charges rendered by the Provider under the Contract. This limitation will not apply to claims arising under the Indemnification paragraph contained in section E.1. above. Unless otherwise specifically enumerated in the Contract, or where such limitation is unconscionable under law, no party will be liable to another for special, indirect, punitive, or consequential damages, including lost data or records (unless the Contract requires the Provider to back-up data or records), even if the party has been advised that such damages are possible. No party will be liable for lost profits, lost revenue, or lost institutional operating savings. The Department and the State may, in addition to other remedies available to them at law or equity and upon notice to the Provider, retain such monies from amounts due Provider as may be necessary to satisfy any claim for damages, penalties, costs, and the like asserted by or against them. The Department and the State may set off any liability or other obligation of the Provider or its affiliates to the Department or the State against any payments due to the Provider under the Contract. Nothing contained herein negates the sovereign immunity protections provided to State agencies or subdivisions, as defined in section 768.28, Florida Statutes.

- F. **Insurance:** To maintain insurance sufficient to adequately protect the Department from all liability and property damage and hazards that may result from Provider's performance under this contract. Provider must always hold such insurance during the existence of this Contract and any renewal(s) and extension(s) of it. Upon execution of this Contract, unless it is a state agency or subdivision as defined in section 768.28, Florida Statutes, Provider accepts full responsibility for identifying and determining the type(s) and extent of liability, workers compensation, and property damage insurance necessary to provide reasonable financial protections for Provider and the clients to be served under this Contract. The limits of coverage under each policy maintained by Provider do not limit Provider's liability and obligations under this Contract. Upon the execution of this Contract, Provider must furnish the Department written verification supporting both the determination and existence of such insurance coverage. Such coverage may be provided by a self-insurance program

established and operating under the laws of the State. The Department reserves the right to require additional insurance as specified in Attachment I.

G. Safeguarding Information: Provider will not use or disclose any information concerning a recipient of services under this Contract for any purpose not in conformity with State and federal law except upon written consent of the recipient or the responsible parent or guardian when authorized by law.

H. Assignments and Subcontracts

1. Assignment: Provider will not assign the responsibility of this Contract to another party without the prior written approval of the Department, which will not be unreasonably withheld. Any assignment or transfer otherwise occurring without the Department's approval will be null and void and the Provider will not be paid for such assigned services. This Contract will bind the successors, assigns, and legal representatives of Provider and any legal entity that succeeds to perform the Provider's obligations. The Department will be entitled to assign or transfer, in whole or part, its rights, duties, or obligations under this Contract to another governmental entity or as required under Florida law upon prior written notice to Provider.

2. Subcontracts:

- a. Provider will be responsible for all work performed and all expenses incurred for this Contract. Provider will not subcontract any work contemplated under this Contract without the prior written approval of the Department. If the Department permits Provider to subcontract under this Contract, the Department will not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and Provider will be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract. If the Department permits the Provider to subcontract, such permission will be indicated in Attachment I. If Provider subcontracts any of the services performed under the Contract without obtaining the Department's prior written approval, such action will be null and void and Provider will not be paid for such subcontracted services.
- b. Unless otherwise stated in the Provider's contract with the subcontractor, payments must be made within seven working days after receipt of full or partial payments from the Department in accordance with section 287.0585, Florida Statutes. Failure to pay within seven working days will result in a penalty charged against the Provider to be paid by the Provider to the subcontractor in the amount of one-half of one percent of the amount due per day from the expiration of the period allowed herein for payment. The penalty will be in addition to actual payments owed and will not exceed 15 percent of the outstanding balance due.

I. Return of Funds: Return to the Department any overpayments due to unearned funds or funds disallowed and any interest attributable to such funds pursuant to the terms of this Contract that were paid to Provider by the Department. If Provider or its independent auditor discovers that an overpayment has been made, Provider will repay the overpayment within 40 calendar days without prior notification from the Department. If the Department first discovers an overpayment has been made, the Department will notify Provider in writing of such a finding. Should repayment not be made in the time specified by the Department, Provider will pay interest of one percent per month compounded on the outstanding balance after 40 calendar days after the date of notification or discovery. The Department reserves the right, in its sole and exclusive discretion, to recoup Provider's unearned funds from any invoice submitted under this Contract or through collection proceedings.

J. Transportation Disadvantaged: If clients are to be transported under this Contract, Provider must comply with the provisions of Chapter 427, Florida Statutes, and Florida Administrative Code, Chapter 41-2 and submit reports as directed by the Department.

K. Purchasing

1. Prison Rehabilitative Industries and Diversified Enterprises, Inc. (PRIDE): Pursuant to section 946.515(2), Florida Statutes, it is expressly understood and agreed that any articles which are the subject of, or required to carry out, this Contract shall be purchased from the corporation identified under Chapter 946, Florida Statutes, in the same manner and under the same procedures set forth in section 946.515(2) and (4), Florida Statutes; and for purposes of this Contract the person, firm, or other business entity carrying out the provisions of this contract shall be deemed to be substituted for the Department insofar as dealings with such corporation are concerned. An abbreviated list of products and services available from PRIDE may be obtained by contacting PRIDE at 1-800-643-8459 or visiting <http://www.pride-enterprises.org>.

3. MyFloridaMarketPlace Vendor Registration: Each Provider doing business with the State for the sale of commodities or contractual services as defined in section 287.012, Florida Statutes, must register in the MyFloridaMarketPlace system, unless exempted under Florida Administrative Code, Rule 60A-1.033.

4. MyFloridaMarketPlace Transaction Fee:
 - a. The state of Florida, through its Department of Management Services (DMS), has instituted MyFloridaMarketPlace, a statewide procurement system. Pursuant to section 287.057(24), Florida Statutes, all payments will be assessed a Transaction Fee of one percent, which Provider will pay to the State.
 - b. For payments within the State accounting system (FLAIR or its successor), the Transaction Fee will, when possible, be automatically deducted from payments to the Provider. If automatic deduction is not possible, Provider will pay the Transaction Fee pursuant to Florida Administrative Code, Rule 60A-1.031(2).
 - c. Provider will receive a credit for any Transaction Fee paid by the Provider for the purchase of any item, if such item is returned to Provider through no fault, act, or omission of Provider. Notwithstanding the foregoing, a Transaction Fee is non-refundable when an item is rejected or returned, or declined, due to the Provider's failure to perform or comply with the specifications or requirements of this Contract. Failure to comply with these requirements will constitute grounds for declaring the Provider in default and recovering procurement costs from the Provider in addition to all outstanding fees. A Provider delinquent in paying transaction fees may be excluded from conducting future business with the State.
5. Alternative Contract Source: This Contract may be used as an alternative contract source, subject to approval from DMS, pursuant to section 287.042(16), Florida Statutes and Florida Administrative Code, Rule 60A-1.045.

7. Taxes: The Department is generally exempt from all federal, state, and local taxes and no such taxes must be included in the price of the Contract. The Department will have no responsibility for the payment of taxes that become payable by Provider or its subcontractors in the performance of the Contract.

L. Background Screening Requirements and Drug Screening Requirements:

1. Background Screening Requirements: In the Department's sole and exclusive discretion, it may determine that background screening of some or all of the Provider's officers, agents, employees, subcontractors, or assignees is necessary (collectively individuals). In the event background screenings are required under this contract, the Provider agrees to the following:
 - a. Conduct background screenings in accordance with Chapter 435, Florida Statutes, using level 2 screening standards.
 - b. Provide the Department with a written attestation confirming that the individual has completed and cleared the level 2 background screening.
 - c. Not allow the individual to begin work under this contract until that individual has been cleared by the Department.
 - d. Be responsible for any costs incurred in meeting this screening requirement.
2. Drug Screening Requirements:
 - a. If the Provider's officers, agents, employees, subcontractors, or assignees (collectively "individuals") are assigned to work in a Department designated Safety-Sensitive Class and/or Position, under this Contract, then a drug test must be performed prior to the individual being allowed to start work under this Contract. If an individual has already been screened by the Provider, then a written attestation confirming that the individual has completed and cleared the drug screening must be submitted to the Department prior to contract execution. If an individual has not been drug screened, notify the Department immediately. No individual can begin work under this Contract until they have been cleared by the Department.
 - b. If at any time while performing services under this Contract reasonable suspicion exists to believe that the Provider's staff, which includes, but is not limited to, Provider's officers, agents, employees, subcontractors, or assignees, are under the influence of or impaired by drugs, the Department reserves the right to require the individual to undergo drug testing. The Department may require the individual to cease performing services pending drug test results. In the event of a positive drug test, the Provider must notify the Department in writing and at which time the Department may request a replacement of equal or superior skills and qualifications of the prior individual.
 - c. The Provider is responsible for any costs associated with meeting this screening requirement.

M. Civil Rights Requirements:

1. Provider, including its officers, agents, employees, subcontractors, or assignees must review the following policies and procedures as directed by the Department: Policy for Access to Programs and Activities; Procedure

for Access to Programs and Activities; Language and Disability Access Plan; and the Civil Rights Training for Access to Programs and Activities.

2. Upon contract execution and each subsequent year thereafter, the Provider must complete the Department's Civil Rights Compliance Checklist and submit it as directed by the Department.

N. Independent Capacity of the Provider

1. Provider is an independent contractor and is solely liable for the performance of all tasks and deliverables contemplated by this Contract.
2. Except where Provider is a state agency, Provider, its officers, agents, employees, subcontractor, or assignees, in performance of this Contract, will act in the capacity of an independent contractor and not as an officer, employee, or agent of the State. Provider will not represent to others that it has the authority to bind the Department unless specifically authorized to do so.
3. Provider, its officers, agents, employees, subcontractor, or assignees are not entitled to state retirement or state leave benefits, or to any other compensation of state employment as a result of performing the duties and obligations of this Contract.
4. Provider agrees to take such actions as may be necessary to ensure that each subcontractor of Provider understand they are independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, or partner of the state of Florida.
5. Unless justified by Provider and agreed to by the Department in the Attachment I, the Department will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial, or clerical support) to Provider or its subcontractor or assignee.

If Provider fails to do so, all right to payment is forfeited and the Department will not honor any requests submitted after the aforesaid time period.
