- Amend the zoning from Urban 2 (U2) to Urban 5 (U5)
- Small-scale land use amendment for 0.39 +/- acres

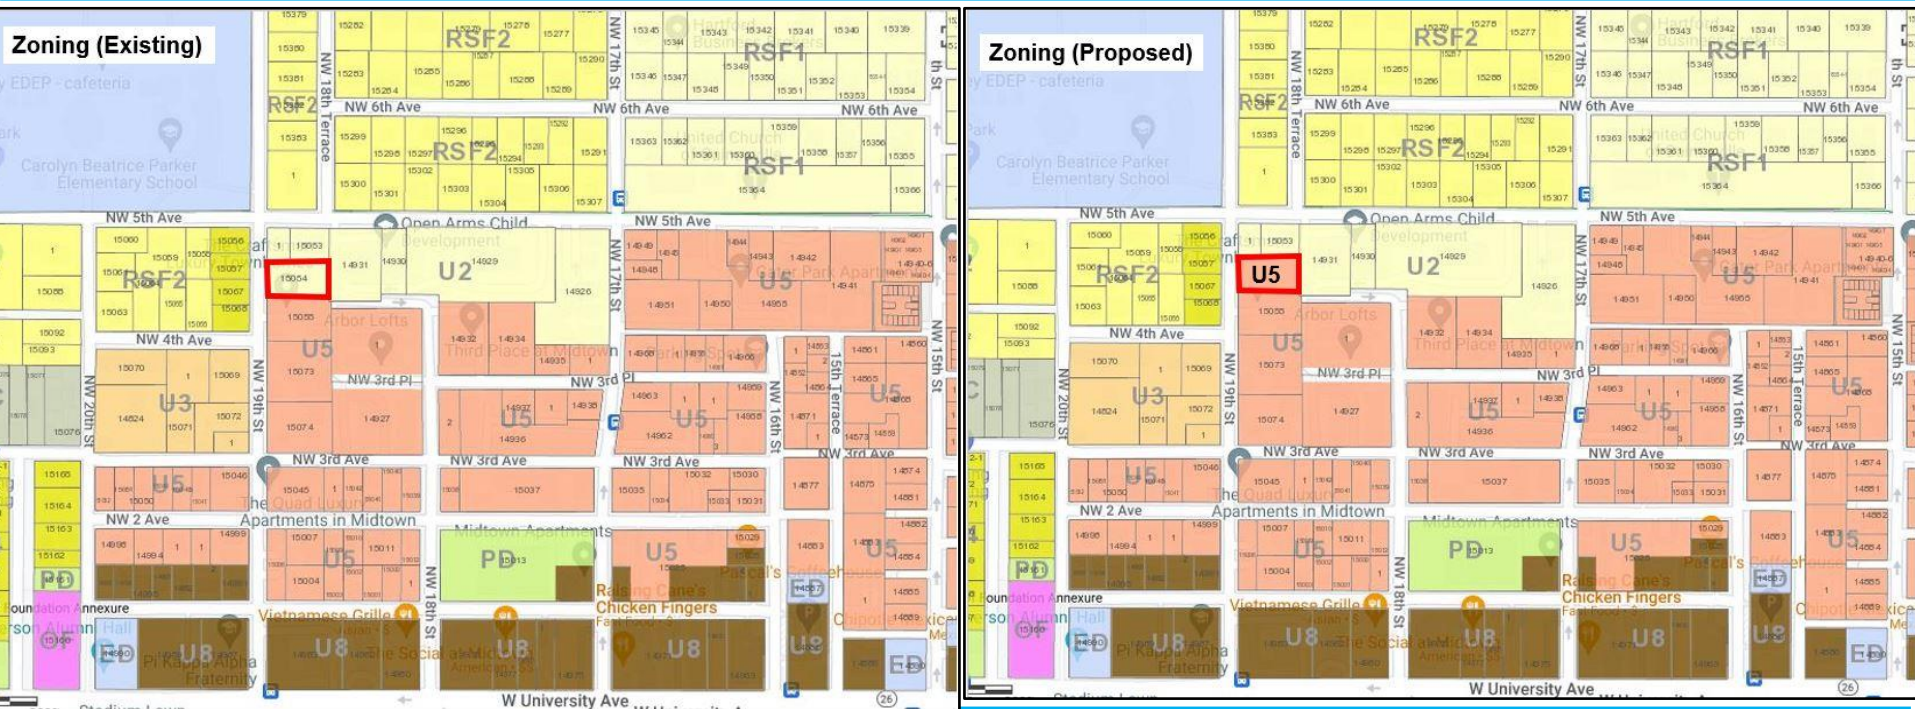

Proposed Land Use Map Change

Proposed Land Use Map Change:

- From: Residential Low (RL)
- To: Mixed Use Residential (MUR)

Proposed Zoning Map Change

Proposed Zoning Map Change:

- From: Urban 2 (U2)
- To: Urban 5 (U5)

Justification for Change

- **Facilitates site redevelopment / Urban infill**
- **Supports City's redevelopment goals**
- **Existing urban, developed area with public facilities available**
- **Higher density provides additional housing units in City core**
- **Proposed map designations compatible with the surrounding area**
- **Consistent with redevelopment trend to U5 to the south**

Consistency with the Comprehensive Plan

FLUE Goal 2

Redevelop areas....in a manner that promotes quality of life, transportation choice, a healthy economy, and discourages sprawl.

- **Proposed map change will:**
 - **Facilitate redevelopment on the parcel (allow for higher density)**
 - **Support transportation choice due to existing sidewalk, bicycle, & nearby transit facilities**
 - **Promote infill development in an area with existing public facilities**

Consistency with the Comprehensive Plan

FLUE Objective 1.5

Discourage the proliferation of urban sprawl.

- **Discourages urban sprawl by promoting site redevelopment where there are existing public services and facilities**

Meets the 10 Rezoning Review Criteria

- **Proposed U5 compatible with surrounding existing development (U5 zoning abuts to the south)**
- **Proposed U5 zoning district is suitable for higher density residential**
- **Proposed U5 is compatible with surrounding transect zoning to the south**
- **Higher density is a more appropriate use than single-family use in this area**
- **Within an area where transect zoning was placed in 2017; TMPA Zone A that encourages redevelopment close to the UF Campus**
- **Rezoning would allow higher density to serve the population near UF**
- **Changes in the character of the area based on 2017 citywide rezoning; significant redevelopment south and southeast of the site**
- **Consistent with the Comprehensive Plan redevelopment goals**
- **Public hearings, reports presented to the Plan Board**
- **Existing transect zoning; proposing a logical extension of a higher density T-Zone consistent with recent changes in the area**
