Hi David,

Unfortunately, it appears that I must resign from the GCRA Board. I recently just changed jobs and now am the Long Range Planning Lead at JBPro. This job change means two things:

1. I no longer work within the Reinvestment Area
2. I am now expected to attend virtually all long-range planning related public meetings, workshops, and hearings for our company, which as you know, occur on Tuesday and Thursday evenings for virtually all jurisdictions in the State.

As such, I feel like I am unable to consistently attend our meetings and therefore, do not deserve occupying a spot on the Board.

It has been a pleasure serving you, our Board, and the Gainesville community these past few months.

Best of luck to you in your future endeavors,
