**Work Experience**

---

**Project Manager** - Meteor Education - Gainesville, FL

January 2019 to November 2022

- Oversaw all aspects of assigned projects from receipt of customer purchase orders to fulfillment and beyond, ensuring that ordering and manufacturing timelines, product deliveries and installations, and any additional services were within project parameters
- Managed dozens of projects at a time, totaling \$4-8 million in projects annually, protecting profit margins through extreme attention to detail in scheduling and logistics planning
- Worked with third-party installation companies to obtain competitive job cost estimates and to secure the best available installers for each project
- Coordinated with sales and design teams, manufacturers, and our clients to achieve a comprehensive understanding of individual project requirements and expectations, providing a single point of contact for all parties involved in project conception and completion
- Supervised installations throughout Florida, Georgia, and Alabama, providing on-site leadership and direction, and working closely with client contacts, freight carriers, and third-party installers to facilitate timely deliveries and successful project completions
- Conducted post-installation walkthroughs with clients to complete proof-of-delivery documentation and to verify project fulfillment, processing all documents appropriately for billing as necessary

**Transactional Business Coordinator** - Meteor Education - Gainesville, FL

March 2018 to January 2019

- Prepared timely product and service pricing estimates according to customer needs and budgets, working closely with sales specialists serving territories throughout Florida, Georgia, and Alabama
- Ensured that all pricing estimates complied with the intricacies of applicable local, state, or national purchasing contracts while also achieving the requested gross profit margin for the project
- Fostered relationships with manufacturers and suppliers to ensure the most current knowledge of product availability, pricing, and specifications
- Assisted with development and continued enhancement of a new ERP system in areas of the software that were integral to the Transactional Business Coordinator and Project Coordinator roles

**System Support Clerk** - Meteor Education - Gainesville, FL

April 2017 to March 2018

- Managed and updated information in an ERP system that included tens of thousands of product SKUs from hundreds of suppliers
- Established and maintained relationships with supplier contacts to ensure the accuracy of system details regarding product specifications, pricing, and availability, as well as unique account requirements and processes
- Ensured that local, state, and national purchasing contract intricacies were accurately integrated into our system to facilitate competitiveness and compliance

- Assisted in development of portions of a new ERP system, extensively testing and providing insight prior to and during implementation
- Created a comprehensive training/reference manual for use of the enterprise software within the System Support Clerk role

**Manager & Dispatcher** - Doorstep Delivery - Gainesville, FL

November 2015 to February 2017

- Managed customer service representatives and established policies and procedures as required for daily business operation
- Ensured that independently contracted drivers were regularly available for necessary deliveries and other occasional duties
- Created and regularly updated online restaurant menus with extreme attention to detail to ensure product and pricing accuracy and to facilitate customer order placement
- Worked closely with restaurant associates and their management to provide troubleshooting assistance and maintain a positive relationship between businesses

**Delivery Driver & Dispatcher** - Gainesville2Go - Gainesville, FL

September 2013 to November 2015

- Coordinated the placement of orders and routing of drivers throughout Gainesville using extreme attention to detail and multitasking skills
- Assisted customers with their orders and aided drivers in the field with special instructions and various troubleshooting techniques

**Printer & Screen Department Manager** - Atlas Screen Printing - Gainesville, FL

March 2005 to May 2010

- Oversaw activities within the screen department, including the production and maintenance of hundreds of screens in accordance with precisely determined standards of quality
- Managed complex inventories and regularly ordered materials necessary for the successful operation of multiple departments
- Developed and implemented various production strategies, standards, and techniques
- Coordinated with other departments to ensure adherence to production schedules and to resolve potential production difficulties
- Participated in every aspect of the production process, rigorously maintaining quality standards necessary to meet the expectations of customers such as Yellowstone National Park, San Diego Zoo, and Florida Museum of Natural History
